DESCRIPTION

The CB 260 storage box adds a practical storage surface to the CB 260 Cable Box for tools, accessories and installation materials. It is fitted by simply clipping it onto the top box.

The integrated bottle compartment provides space for cable lubricant or drinks bottles. Ergonomic carrying handles make it easier to tilt and pull the CB 260 Cable Boxes and ensure comfortable transport, particularly when used in conjunction with the CB 260 trolley.

The storage box provides additional storage space and helps to keep the necessary work equipment neatly organised.

Scope of supply: 1 x CB 260 Storage box
