DIMENSION WINCH	L 510 mm x W 370 mm x H 350 mm
DIMENSION TROLLEY	L 990 mm x W 250 mm x H 200 mm
STRAP LENGTH	3 m
EAN CODE	9120045475630

ADVANTAGES

- One person can pull up to 800 kg with the CW 800 E capstan winch
- Selectable traction force or traction speed 800 kg | 400 kg
- Small, compact, handy
- Many mounting options
- Safety rope guide
- Overload protection

DESCRIPTION

The CW 800 E capstan winch is ideally suited for horizontal pulling of one or more cables. Where several persons are needed for higher pulling loads on many sites, one person is sufficient to pull in the cables with the CW 800 E capstan winch by RUNPOTEC with a choice of 800 kg or 400 kg. The capstan winch can be fixed via the mounting holes or attached to solid objects with the enclosed strap. The trolley mounting rail also offers a very practical fastening option. It can be attached to the trailer hitch of a vehicle through the special coupling opening. It is also possible to mount the rail horizontally or vertically, and then simply hook in the CW 800 E capstan winch and fasten it using the two fixing bolts. Safety instructions: Not suitable for vertical cable pulling, must not be used to carry or lift loads or persons.
Optimal area of application: for horizontal cable pulling.

Scope of supply: 1 x CW 800 E Capstan winch, 1 x Trolley mounting rail, 1 x Strap 3 m

INFORMATION

Available as accessories:

Connection swirl
Item no.: 10176
