DATA		
ITEM NO.	30467	30064
WEIGHT	0,30 kg	1,07 kg
CONTENT	250 g	1000 g
DIMENSION	L 195 mm x 52 mm	L 265 mm x DM 80 mm
CARTON ORDER	24 pieces	8 pieces
EAN-CODE	9120045474862	9120045472318

ADVANTAGES

- Not flammable!
- No sticking, colourless and odourless
- Dissolves without residue.
- Great price/performance ratio
- Excellent sliding and lubricating effect

DESCRIPTION

Cable lubricant GEL greatly reduces friction resistance, making it easier to pull cables and wires into electrical installation pipes and protecting them from damage.

Application: Apply RUNPOTEC cable lubricant GEL to the cable or inside the pipe. Also highly effective when inserting cable insertion systems.

Product features: Non-flammable, reduces frictional resistance, temperature-resistant up to 85°C, improved sliding effect, silicone-free, water-soluble, non-corrosive, non-sticky, skin-friendly, biodegradable. Dissolves without leaving any residue.

Caution: Close after use, store in a cool, dry place. Do not allow to come into contact with live parts. Risk of short circuit!

EUH208: Contains 2-methyl-2H-isothiazol-3-one. May cause allergic reactions. May cause staining on sensitive surfaces.

Scope of supply: 1 x Cable lubricant GEL
